Constructed in 1989 in traditional Andalusian style, the two-storey property is built around a central courtyard. The house is brimming with old world Spanish charm and character, and provides spacious comfortable living accommodation with a welcoming ambience.

The house is surrounded by magnificent landscaped gardens with a gorgeous swimming pool and several terraces. The impressive entrance, with its huge antique wood doors, opens into a covered patio area that leads through to the beautiful courtyard at the heart of the property.

This consists of a large open-plan country style kitchen with an open fire, lots of storage space and a separate utility/storage room. The dining area is next to a large bay window and a door that opens onto the covered al-fresco dining terrace with built-in seating that overlooks the delightful gardens on the south side of the house. The living room is light, spacious and homely, with an open fire and two French doors leading to the terrace & gardens.

The twin bedroom has a French door to the terrace & garden, and the double bedroom has a French door to the courtyard. The fourth bedroom is accessed from the covered patio area, and is also spacious and well presented with an en-suite bathroom.

Upper floor:

This comprises the splendid Master bedroom suite with a pitched beamed ceiling, marble floor, fitted wardrobes, and a dressing area. The en-suite has a bath and separate shower. French doors open onto a large south-facing terrace overlooking the garden and with stunning views to Gibraltar and Rif mountains of Morocco.

Exterior:

The entrance gates open into a large open area with ample parking space and nearby trees providing natural shade. There is also a separate garden store/workshop. The traditional Andalusian courtyard has an ornate fountain and is surrounded by colourful bougainvillea, wisteria, vines, and lots of terracotta pots filled with pretty flowering shrubs. There is a separate storage area for logs etc. tucked away in the corner.

A substantial covered terrace area extends along the south side of the house overlooking the gardens. From here there are amazing panoramic views across the countryside to Gibraltar & Morocco. This is a perfect spot for al-fresco dining/entertaining.

The gorgeous swimming pool (11m x 5m) is a few steps down from the garden, with a shade area at one end, and is surrounded by sunbathing terracing, lawn, lavender borders and flowering shrubs.
